

GSDCA VETERANS SHOWCASE RULES

Veteran Showcase 5 years or older with working title(s).

No ratings are awarded for this class, dogs are placed according to quality. (i.e. 1st, 2nd, 3rd and 4th)

Held only at the GSDCA Sieger Show, this class is held in place of the normal Veterans Class. Males and females will be presented in different rings.

Each dog will have a small black and white photo and up to a 150 word description of the dogs' accomplishments printed in the event catalog. Each dog will have the opportunity to perform the Performance Test along with the dogs from the Working Class. This is optional and is not required for each dog, but is at the discretion of the dog's owner. The intent is for the owners of our Veteran dogs to not only show them gaiting in the ring, but to display the complete dog.
