A navigation menu includes 'Conformation Shows', 'Dogs', 'Judges', 'Statistics', 'Stud Dogs', 'Litters', 'Ads/Listings', 'Features', and 'Home'. The 'Judge's Bio' tab contains a photo of Bernd Weber and the following text:

Bernd Weber has been an SV Member since 1978 and became an SV-Züchtrichter Judge in 2004 and has been judging abroad since 2007.

Weber writes himself-directly into the history books- as one of the judges who has very quickly been asked to judge a BSZS since becoming SV-Züchtrichter. A obvious sign of respect and trust within a high-level judging arena.

Additionally, for more than 18 years, Weber has been a trainer and instructor for his club in Bad Schwartau.

At the SV Sieger Show 1995, Weber worked as a helper for the courage test for the males. Since 2001, he became a member of the Committee of the SV District of Hamburg/Schleswig-Holstein as a Breed Warden and has since become a Member of the Breeding Committee of the SV.

It is not just as a breeder and SV-Züchtrichter that Bernd Weber has made a positive note. He is also well known and respected as one of Germany's best handlers in the show ring. Weber is still actively exhibiting, handling and working as a teacher for working ability.

Bernd is married with two children, a son and daughter. He lives in Bad Schwartau, 60 km north of Hamburg near the Baltic Sea.
